Thank you to our 2022 HTRS Fellows Network Sponsors

Gold Level Sponsor

Kansas City Comprehensive Hemophilia Treatment Center/Children’s Mercy Hospital of Kansas City

Silver Level Sponsors

Penn Comprehensive Hemophilia and Thrombosis Program
Hemophilia Center of Western Pennsylvania

Established in 2012, the HTRS Fellows Network offers professional education programs, career development webinars, and opportunities for mentoring and peer-to-peer networking throughout the year for medical trainees. Trainees also receive free membership in the Hemostasis and Thrombosis Research Society (HTRS) for the duration of training.
