

2020 HTRS/ATHN Dataset Research Engagement and ATHN Mentorship ("DREAM") Award: Pre-Proposal Applications due April 15, 2020

Together, we're helping turn dreams into reality. The DREAM Award is offered through the collaboration of HTRS and ATHN and supported by an independent medical educational grant from Takeda. Key details:

- Applicants residing in the U.S. and working at U.S.-based, ATHN-affiliated HTC's are eligible to apply for a 2020 DREAM Award.
- The award offers funding of \$50,000 USD per recipient for projects lasting up to one year and \$100,000 USD per recipient for projects lasting up to two years

New this year: all proposals will be submitted through ATHN's online application process. After February 10, 2020, contact support@athn.org to request a link to the application.

- Pre-Proposals are due: **Wednesday, April 15, 2020**
- Invited Full Proposals are due: **Wednesday, July 15, 2020**
- Awards will be announced September 1, 2020 for projects running from September 1, 2020 through August 31, 2021 or through August 31, 2022 for two-year projects
