

CALL FOR APPLICATIONS FROM RESIDENTS AND FELLOWS

**HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”
Thursday, December 3, 2020**

The December 2020 HTRS Trainee Workshop is a virtual event.

Applications are due Friday, October 23, 2020 by 11:59 PM ET

This activity is supported by educational grants from founding supporter, Novo Nordisk Inc., CSL Behring, Shire/Takeda and Grifols.

The Hemostasis and Thrombosis Research Society (HTRS) is now accepting applications from residents and fellows to attend the following educational activity:

- Event Title:** HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”
- Date/Time:** The Workshop begins with an opening session Thursday morning, December 3, 2020 at 11:00 AM ET. The program will be a full day of interactive case discussions, faculty presentations, and small group breakout sessions, ending at 6:00 PM ET.
- Location:** The December 2020 Trainee Workshop will be a virtual event. Participants will receive login information closer to the date of the event.

Applicant Eligibility Requirements

This Workshop is open to **30 MDs or DOs in training** (residents or fellows) interested in building careers in hemostasis and/or thrombosis in pediatric or adult medicine. If there are more than 30 competitive applications, preference will be given to applicants who have not previously attended an HTRS Trainee Workshop.

Workshop Description

This non-CME educational event will be held December 3, 2020, just prior to the 2020 virtual ASH Annual Meeting and Exposition (December 4-8, 2020). The goal of “Building a Career in Hemostasis and Thrombosis” is to attract trainees to the field to benefit current and future patients with hemostatic and thrombotic disorders. The program is a dynamic mix of case presentations by attending trainees, interactive presentations by faculty, small group breakout sessions, and time for networking.

Hemostasis and Thrombosis Research Society, Inc.
PO Box 2178, Milwaukee, WI 53201-2178
8733 Watertown Plank Road, Milwaukee, WI 53226-3548
(414) 937-6569 Fax (414) 937-3864 www.htrs.org htrs@versiti.org

The scientific content and agenda for this Workshop are designed by the HTRS Trainee Workshop Planning Committee comprising HTRS physician members in hemostasis and thrombosis. The Committee ensures that the program is free from commercial bias. (Although this Workshop is non-CME, HTRS follows best practices in CME education to plan and coordinate educational content.)

For more information on HTRS Workshops and educational opportunities in hemostasis and thrombosis, including resources for residents and fellows, visit www.htrs.org.

Application Deadline

Applications to attend the virtual Workshop are due Friday, October 23, 2020 by 11:59 PM ET.

How to Apply

Interested residents and fellows must complete and submit the online Application Form located at:

https://htrs.smapply.org/prog/2020_pre-ash_virtual_htrs_trainee_workshop

Note: If this live hyperlink does not work for you, please copy and paste the URL into your browser to access the Application Form.

The 2020 Trainee Workshop Application Process

Please note that the 2020 Trainee Workshop application process is slightly different than previous years, when the applicant's Medical Residency Program Director, Fellowship Program Director, or other mentor was required to complete and submit a nomination form on behalf of the applicant.

Now, applicants must complete and submit their own Application Form, including a required Letter of Support from their Medical Residency Program Director, Fellowship Program Director, or other mentor.

Technical issues or questions regarding the Application Form should be directed to Terri Holzen, HTRS Grants and Membership Manager, at tholzen@versiti.org or at htrs@versiti.org.

The Application Form includes fields to upload the following components:

- a. **Letter of Support.** A letter from the applicant's Medical Residency Program Director, Fellowship Program Director, or other mentor should explain in 300 words or less why the applicant is a good candidate for this Workshop.
- b. **Candidate's Statement.** The applicant should explain in 500 words or less why attending this Workshop is important to his/her career plans.
- c. The applicant's **NIH Biosketch** or **Curriculum Vitae**
- d. **OPTIONAL: An interesting clinical case to be considered for oral presentation during the "Trainee Case Presentations" Session.** A popular feature of this Workshop is a session wherein two to four trainees who are pre-selected by the Planning Committee present an interesting clinical case for discussion. Trainees selected for oral presentation will be paired with a mentor from the Workshop faculty prior to the event.

Notification of Acceptance

All applications will be reviewed by the HTRS Trainee Workshop Planning Committee the week following the October 23, 2020 application deadline. Applicants will be notified of acceptance via email the first week of November, 2020.

Disclosure of Compliance and Reporting Under *Open Payments: The Physician Payments Sunshine Act*

This educational activity is deemed reportable by law under *Open Payments: The Physician Payments Sunshine Act* ("Sunshine Act"). It is possible that HTRS may be required to share the names and institutional affiliations of participating physicians (both attendees and faculty) at the request of our pharmaceutical company sponsors. Therefore, it is the responsibility of individual attendees to know if their institution mandates specific restrictions regarding the Sunshine Act, as regulations differ by state. If you have questions about the Sunshine Act as it pertains to this educational activity, please contact HTRS at htrs@versiti.org.

Workshop Supporters

This HTRS Trainee Workshop, "Building a Career in Hemostasis and Thrombosis," is supported by educational grants to HTRS from founding supporter Novo Nordisk Inc., CSL Behring, Shire/Takeda, and Grifols. HTRS is solely responsible for developing the agenda and overseeing the presentation of scientific content free from commercial bias.

HTRS Mission Statement

The Hemostasis and Thrombosis Research Society (HTRS) is the leading North American professional society dedicated to research, mentoring, workforce development, and continuing medical education for physicians, investigators, and all health care professionals interested in advancing care for people with hemostatic and thrombotic disorders. Visit us at www.htrs.org.

Questions?

For any questions about the HTRS Trainee Workshop or the application process, please contact HTRS at htrs@versiti.org. For technical support with the Application Form contact Terri Holzen, HTRS Grants and Membership Manager at 414-937-6569 or tholzen@versiti.org.

We look forward to a successful Workshop and to meeting our future leaders in hematology!
