# Webinar: Pediatric Venous Thromboembolism (VTE): *An Appraisal of Predictive Risk Factors, Prevention and Treatment*

**Date:** Tuesday, November 29, 2022

**Time:** 3pm - 5pm ET / 12 pm -2pm PT

**Cost:** Free

Please register for this Webinar through the following link:

<https://bit.ly/Pediatric-VTE-Webinar>

### Learning objectives:

- Which patients are at risk? Evaluate biomarkers and other predictive risk factors for venous thromboembolic events
- Can we prevent VTE in sick patients? Discuss the evidence and strategies for the prevention of hospital-acquired VTE
- How do we treat pediatric VTE? Discuss past and present treatment modalities for pediatric VTE

### CME credit offered for event

Children's Hospital Colorado designates this live activity for a maximum of 2.00 AMA PRA Category 1 Credit(s)<sup>™</sup>.

Physicians should only claim credit commensurate with the extent of their participation in the activity
