Sarah H. O'Brien, MD
Melissa J. Rose, DO

Program Highlights

- Approximately 1000 children with hemostasis-thrombosis problems served each year
- Federally designated Hemophilia Treatment Center
- Extramurally funded physician-scientist faculty focused full-time on hemostasis-thrombosis
- Pediatric Hemostasis-Thrombosis Services:
 - Hemophilia
 - AYA Women's Hematology
 - Stroke
 - ImmunoHematology
 - Thrombocytopenia
 - Thrombosis
 - ECMO/VAD Programs
 - Liver Transplant Program
- Curriculum tailored to matriculating fellows' career goals:
 - 50% Clinical (2/3^{ds} outpatient)
 - 50% Research
- Elective Opportunities:
 - Clinical hemostasis reference laboratory
 - Hemostasis research laboratory
 - Vascular Medicine
 - Adult Hemophilia
 - Adult Thrombosis
 - Others
- Largest children's hospital in the US
- Ranked in all 10 US News & World Report specialties
- One of the top 10 free-standing children's research institutes in NIH funding (Over \$38 Million/Year)
- Affiliation with The Ohio State University Wexner Medical Center:
 - Federally designated Hemophilia Treatment Center
 - 4 additional hemostasis-thrombosis faculty
 - Unprecedented research facilities
