

**Staff Physician  
Benign Hematology**

The Department of Hematology and Medical Oncology at the Cleveland Clinic is recruiting a board-certified hematologist with a focus on non-malignant hematologic disorders. The Department is a part of the Taussig Cancer Institute which is one of the largest and most academically productive cancer centers in the United States.

Clinical responsibilities include attending on the inpatient hematology consult service and conducting outpatient hematology clinics. We are particularly interested in individuals motivated to develop a career in clinical and/or translational research, for which we can offer a highly supportive environment and a start-up package based on qualifications. A highly-competitive salary and benefit package is also included..

The Cleveland Clinic is a not-for-profit, multi-specialty academic medical center that integrates clinical and hospital care with research and education. The Taussig Cancer Institute has been rated by U.S. News & World Report Magazine among the best cancer institutes in the country and is a part of the NCI designated Case Comprehensive Cancer Center.

Interested candidates should send their CV with a cover letter to Victoria Mineff.
