## Pediatric Hematology/Oncology and BMT Night Hospitalist

Nationwide Children's Hospital is seeking 1 board certified/board eligible Pediatric Hematology/Oncology Hospitalist to join the pediatric hematology/oncology/BMT team. The position is to primarily cover the pediatric hematology inpatient service during the day. In addition the position will partner with 2 existing hospitalists and an APN to cover some night coverage of the pediatric hematology/oncology/BMT service and day time coverage of the inpatient chemotherapy service. The position is a full clinical position but will involve resident supervision and teaching.

The candidate for this position is required to be board certified in Pediatrics and board eligible/certified in Pediatric Hematology/Oncology and licensed in the State of Ohio. Experience in benign hematology or training in hemostasis/thrombosis preferred.

The division currently consists of 30 faculty members. The Division has a full complement of clinical services in hematology, oncology and bone marrow transplantation and an active fellowship training program.

Named to the Top 10 Honor Roll on U.S. News & World Report 's 2018-19 list of "Best Children's Hospitals," Nationwide Children's Hospital is one of America's largest not-for-profit freestanding pediatric health care systems providing wellness, preventive, diagnostic, treatment and rehabilitative care for infants, children and adolescents, as well as adult patients with congenital disease. Nationwide Children's has a staff of more than 13,000 providing state-of-the-art pediatric care during more than 1.4 million patient visits annually. As home to the Department of Pediatrics of The Ohio State University College of Medicine, Nationwide Children's physicians train the next generation of pediatricians and pediatric specialists.
