

PEDIATRIC HEMATOLOGY FACULTY POSITION

The University of Texas Health Science Center at Houston is inviting applications for a Pediatric Hematologist to join a combined Adult-Pediatric Hematology practice group as an Assistant Professor. The candidate must be a qualified clinician-scholar who will advance our clinical practice, research, and educational missions. The group provides outpatient and inpatient care to benign hematology patients for the University of Texas Health Science Center in Houston and to over 700 patients in the Gulf States Hemophilia and Thrombophilia Center. The position includes teaching responsibilities for students, residents, and fellows. Research support is available. The candidate must be board-eligible or board-certified in Pediatric Hematology-Oncology.

UTHealth is committed to providing equal opportunity in all employment-related activities without regard to race, color, religion, sex, sexual orientation, national origin, age, disability, genetic information, gender identity or expression, veteran status or any other basis prohibited by law or university policy. Reasonable accommodation, based on disability or religious observances, will be considered in accordance with applicable law and UTHealth policy. The University maintains affirmative action programs with respect to women, minorities, individuals with disabilities, and eligible veterans in accordance with applicable law.

Please send cover letter and CV to Deborah Brown, MD via e-mail to Deborah.Brown@uth.tmc.edu.
