

## INTERNATIONAL COURSE: VON WILLEBRAND DISEASE - FROM THEORY TO CLINICAL PRACTICE

LUND UNIVERSITY COMMISSIONED EDUCATION | CENTER FOR THROMBOSIS AND HAEMOSTASIS |

**22-24 April, 2020 Malmö, Sweden**

The 3-day course will begin with an introduction of VWD through a series of over-view lectures. Thereafter, clinical cases will be presented and the management, prognosis, treatment and diagnosis of the disease will be discussed.

The course will use an evidence-based approach and participants will be asked to interactively share their experience in the field.

Target group: Physicians in need of further training in VWD. Good English-speaking skills are required.

The course is a collaboration between Lund University and Skåne University Hospital (Malmö Centre for Thrombosis and Haemostasis).

LIPUS (Institute for the Professional Development of Physicians in Sweden) will review the course. CME (Continuing Medical Education) application pending.

Application: <https://www.clinical-coagulation.lu.se/education/von-willebrand-course>

Closing date for applications: 14 February 2020.

The course is sponsored by Octapharma.
