

Call For Applications from Residents and Fellows

HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”
Wednesday, December 7 – Thursday, December 8, 2022
Pre-ASH 2022
New Orleans, LA

Applications are due Friday, October 14, 2022 by 11:59 PM ET

This activity is supported by educational grants from Takeda, Grifols, and founding supporters Novo Nordisk Inc.

The Hemostasis and Thrombosis Research Society (HTRS – www.htrs.org) is now accepting applications from residents and fellows to attend the following educational activity:

- Event Title:** HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”
- Date/Time:** The Workshop begins with a Welcome Reception and opening sessions **Wednesday, December 7** from **5:00 PM** to **8:00 PM CT**. A full day of interactive case discussions, faculty presentations, and small group breakout sessions follows on **Thursday, December 8** from **7:00 AM** to **4:30 PM CT**.
- Location:** The Workshop hotel will be within a short walking distance to ASH hotels and convention center in New Orleans, LA. More location information will be provided as it becomes available.
- Virtual participants will receive login information for HTRS’s hybrid software platform, *Hubilo*, closer to the date of the event.

Please note that HTRS is continually monitoring the status of in-person attendance at this Workshop in light of the ongoing COVID-19 pandemic. Attendees will be notified of any significant format changes as they become available. If the ASH becomes a fully virtual event, this HTRS Trainee Workshop will also become a fully virtual event.

Applicant Eligibility Requirements

This Workshop is open to **30 MDs or DOs in training** (residents or fellows) interested in building careers in hemostasis and/or thrombosis in pediatric or adult medicine. If there are more than 30 competitive applications, preference will be given to applicants who have not previously attended an HTRS Trainee Workshop.

Workshop Description

This non-CME educational Workshop will be held from December 7-8, 2022, just prior to ASH. The goal of the Workshop is to attract trainees to the field to benefit current and future patients with hemostatic and

thrombotic disorders. The program is a dynamic mix of case presentations by attending trainees, interactive presentations by faculty, small group breakout sessions, and time for networking and mentoring.

The scientific content and agenda for this Workshop are designed by the HTRS Trainee Workshop Planning Committee, comprising HTRS physician members in specializing in hemostasis and thrombosis. The Committee ensures that the Workshop is free from commercial bias. (Although this Workshop is non-CME, HTRS follows best practices in CME education to plan and coordinate educational content.)

For more information on HTRS Workshops and professional education opportunities in hemostasis and thrombosis, including resources for residents and fellows, visit www.htrs.org.

Application Deadline

The application deadline has been extended, applications are now due [Friday, October 14, 2022 by 11:59 PM ET.](#)

How to Apply

Interested residents and fellows must complete and submit the online [Trainee Workshop Application Form](#) located at:

https://htrs.smapply.org/prog/2022-2023_htrs_trainee_workshop_application/

Note: If this live hyperlink does not work for you, please copy and paste the URL into your browser to access the Application Form.

Trainee Workshop Application Process

Please note that the Trainee Workshop application process is slightly different than previous years, when the applicant's Medical Residency Program Director, Fellowship Program Director, or other mentor was required to complete and submit a nomination form on behalf of the applicant.

Now, applicants must complete and submit their own Application Form, including a required Letter of Support from their Medical Residency Program Director, Fellowship Program Director, or other mentor.

Technical issues with the Application Form should be directed to Danielle Barsuglia, HTRS Meeting Manager, at meetings@htrs.org.

The Application Form includes fields to upload the following components:

- a. **Letter of Support.** A letter from the applicant's Medical Residency Program Director, Fellowship Program Director, or other mentor should explain in 500 words or less why the applicant is a good candidate for this Workshop.
- b. **Candidate's Statement.** The applicant should explain in 500 words or less why attending this Workshop is important to his/her career plans.
- c. The applicant's **NIH Biosketch** or **Curriculum Vitae**
- d. The applicant's professional **headshot** or **photograph** (ideal sizing 200px x 200px)
- e. The applicant's **professional bio** (500 words or less)
- f. **OPTIONAL: An interesting clinical case to be considered for oral presentation during the "Trainee Case Presentations" Session.** A popular feature of this Workshop is a session wherein four trainees who are pre-selected by the Planning Committee present an interesting clinical case for discussion. Trainees selected for oral presentation will be paired with a mentor from the Workshop faculty prior to the event.

Notification of Acceptance

All applications will be reviewed by the HTRS Trainee Workshop Planning Committee the week following the October 14, 2022 application deadline. Applicants will be notified of acceptance via email by early November.

Expenses Reimbursed by HTRS

HTRS will reimburse up to \$750.00 USD total for the following expenses, with receipts, up to 30 days following the Workshop:

- Round-trip, coach-class airline, train, or bus tickets (includes fare and change fee, if incurred)
- Ground transportation to and from the airport, train, or bus station and the hotel (via taxi, Uber, or Lyft)
- Mileage and parking. If you plan to drive to the Workshop, HTRS will reimburse up to a total of 1,215 miles at the standard federal rate of \$0.585 USD/mile. Daily parking fees, not to exceed \$50.00 USD per day for two days, will also be reimbursed. Any mileage or parking expenses exceeding the maximum reimbursement amount are at your own expense
- Per diem for meals on travel days not to exceed \$65.00 USD per day

Disclosure of Compliance and Reporting Under *Open Payments: The Physician Payments Sunshine Act*

This educational activity is deemed reportable by law under *Open Payments: The Physician Payments Sunshine Act* ("Sunshine Act"). It is possible that HTRS may be required to share the names and institutional affiliations of participating physicians (both attendees and faculty) at the request of our pharmaceutical company sponsors. Therefore, it is the responsibility of individual attendees to know if their institution mandates specific restrictions regarding the Sunshine Act, as regulations differ by state. If you have questions about the Sunshine Act as it pertains to this educational activity, please contact HTRS at meetings@htrs.org.

Workshop Supporters

HTRS Trainee Workshops are currently supported by educational grants to HTRS from Grifols, Takeda, and founding supporter Novo Nordisk Inc. HTRS is solely responsible for developing the agenda and overseeing the presentation of scientific content free from commercial bias.

Questions?

For any questions about the HTRS Trainee Workshop or the application process, please contact HTRS at meetings@htrs.org. For technical support with the Application Form contact Danielle Barsuglia, HTRS Meeting Manager, at 856.471.7211 or meetings@htrs.org.

We look forward to a successful Workshop and to meeting our future leaders in hematology!
