

Classical Hematology Faculty Position

Company/Institution	Emory University School of Medicine and Winship Cancer Institute
Location:	Atlanta, Georgia, USA
Degree Requirements	DO, MD, MD/PhD
Job Type:	Faculty
Job Setting:	Hospital/Clinical Facility

The Department of Hematology and Medical Oncology at Emory University School of Medicine and Winship Cancer Institute of Emory University in Atlanta, Georgia seeks interested, enthusiastic and collegial junior and mid-career clinical faculty to join the Hematology Division's Classical Hematology Program to care for patients with non-malignant hematological conditions in the outpatient setting and participate in the consultative hematology service at Emory University Hospitals and/or Grady Memorial Hospital. Faculty members will develop a focus in hemostasis, thrombosis, platelet disorders, non-sickle cell red cell disorders, non-clonal white blood cell disorders, iron metabolism, or systems-based hematology.

Faculty positions will all include time dedicated to clinical or translational research and will have the opportunity to teach and mentor trainees of Emory University School of Medicine. Applicants must be board certified/eligible in hematology and have clinical expertise that will allow participation in patient care, research, and training of clinical fellows. Junior faculty members will engage in Departmental Career Development programs with a strong focus on mentorship.

About the Employer
