

Call for Applications

The Joan Fellowship in Pediatric Hemostasis-Thrombosis

Nationwide Children's Division of Hematology/Oncology/BMT is now accepting applications for The Joan Fellowship in Pediatric Hemostasis-Thrombosis.

Program Highlights

We are a federally designated Hemostasis & Thrombosis Center that cares for approximately 1000 children with hemostasis-thrombosis problems each year. Our Pediatric Hemostasis-Thrombosis Services include:

- AYA Women's Hematology
- ImmunoHematology
- ECMO/VAD Programs
- Liver Transplant Program
- Hemophilia
- Stroke
- Thrombocytopenia
- Thrombosis

Our extramurally funded physician-scientist faculty are focused full-time on hemostasis-thrombosis. Our affiliation with The Ohio State University Wexner Medical Center provides exposure to additional hemostasis-thrombosis faculty and unprecedented research facilities. The curriculum is tailored to matriculating fellows' career goals: 50% Clinical (2/3 outpatient) and 50% Research. Elective opportunities include:

- Clinical hemostasis reference laboratory
- Hemostasis research laboratory
- Vascular Medicine
- Adult Hemophilia
- Adult Thrombosis
- Others

Named to the Top 10 Honor Roll on U.S. News & World Report's 2022-23 list of "Best Children's Hospitals," Nationwide Children's Hospital is one of America's largest not-for-profit free-standing pediatric health care systems. The Abigail Wexner Research Institute at Nationwide

Children's Hospital is one of the Top 10 National Institutes of Health-funded free-standing pediatric research facilities.

Potential Candidates/ Requirements

- Must be eligible/obtain an Ohio medical license
- Completed Pediatrics, Internal Medicine, or "IM"/ Pediatrics Residency
- Completion of Pediatric Hematology/Oncology Fellowship (or fellowship in a Hemostasis-Thrombosis-related discipline) prior to matriculation
- Board Eligible or Certified in Pediatric Hematology/Oncology (or related discipline) prior to matriculation
- If not a U.S. citizen or permanent resident, have a current J-1 or J-2 VISA
- Pediatric or IM sub-specialties with interest in Hemostasis-Thrombosis.
